

Certification in the *GlobeSmart Profile* will give consultants and in-house trainers instant credibility with clients and the ability to help individuals and teams to develop the skills needed to thrive in a global work environment.

Key Benefits

- Access to an industry-leading cultural inventory with strong psychometric features
- Best practices for use from Aperian Global facilitators
- Supplementary materials for use in presenting the tool framework

The GlobeSmart Profile

The statistically validated Profile enables individuals to discover and compare their own unique work-styles across five dimensions of culture, allowing them to bridge style gaps and work more effectively with other countries, colleagues, and teams.

How to get certified?

Qualified candidates will either participate in a blended learning approach which includes an online, self-paced learning component (1.5 hours) and a 2-hour certification webinar, or attend an in-person live training with minimal pre-work.

The webinar/training includes an update on related research, an orientation to the latest version of the tool and best practices.

Upon completion, participants will be certified to conduct individual and team GlobeSmart Profile debriefs for up to 3 years.
